KANSAS LANDS FOR SALE.

"THE GARDEN OF THE WEST." TO CAPITALISTS, EMIGRANTS, and all others wishing CHEAP HOMES and SAFE INVESTMENTS.

FIFTY THOUSAND ACRES OF CHOICE LAND FOR SALE!

OF CHOICE LAND FOR SALE!

This Land has been selected with a great deal of care. It has mean to SETTLEMENTS and TIMBER, it is well WATERED by LIVING STREAMS or SPRINGS, and most of it is near where Railroads must soon pass.

It is known and warranted to be GOOD AGRICULTURAL LAND.

The INDUCEMENTS which KANSAS effers to settlers, and consequently to capitalists, are better and greater than anywhere else upon the Continent.

The climate is the most congental and agreeable, being in the same latitude with Virginia and Kentucky. The crops are in no danger of being dustroyed by late Spring or early Fall fronts. The variace of the country is exceedingly beautiful and attractive. The soft is rich and enduring, and since the first settlement of the Territory nose of the crops have failed.

Everything grown North, together with much raised South, is produced here, and it is the BEST FRUIT COUNTEY IN THE WORLD.

Everything grown North. together with most rates South is produced here, and it is the BEST FRUIT COUNTRY IN THE WORLD.

The Trade, Travel, and Emigration into NEW-MEXICO, WTAH, PIKE'S PEAK, and all the inhabited Interior, with the great OVERLAND EMIGRATION TO CALIFORNIA, begins here, leaving a large amount of capital. No Northern State or Territory is thus happily abunted.

The gold of PIKE'S PEAK and victnity, which late developments have proved to exist in great abundance, will find its way into Kansas for produce, provisions and merchandise, alding in its rapid development in persistion and wealth.

TIME PACIFIC RAILROAD, which the present Congress will undoubtedly put in motion, must pass through Kansas.

St. Louis, the best market west of Suffalo, reached by the Missouri and Kansas Rivers, with the great caravans of trade and Emigration passing by different and diverging routes through the Territory, will afford a rich market for all the products of Kansas.

The demand has beretofore been far beyond our ability to supply, and for most of the time during the instrument and the peculiar style to exhibit. This is the original shape of the Driggs Patent, or Violin Piane, and it closely approximates, not only in the principles of its constriction, but in its shape, to the violin—the most perfect, because the most responsive instrument in the world." The case is a vibratory shell, free from all strain of the strings, and the oval shape retains more perfectly the vibratory circles, sustaining the tones with wonderful purity, and making the instrument more responsive and perfect.
